4. OVERVIEW OF OPERATIONS:

Godrej Properties delivered another record year in FY2023-24 by achieving the highest sales in its history, surpassing the industry growth. This was driven by continued focus across bringing better products with consumer centric approach, delivering best in class quality consistently and enhancing customer's trust on the brand.

Godrej Properties achieved a sales volume of 20 million square feet and booking value of ₹22,527 Cr in FY2023-24, resulting in a growth of 84% Y-o-Y. This is the highest ever annual sales reported by a listed developer in India until date.

Godrej Properties launched 26 new projects/ phases in FY2023-24, of which, 4 projects namely Godrej Zenith (NCR), Godrej Reserve (MMR), Godrej Aristocrat (NCR) and Godrej Tropical Isle (NCR), achieved booking value of more than ₹ 2,000 Cr each on launch. These remained amongst the most successful residential project launches for GPL.

Godrej Properties added ten new projects with saleable potential of around 18.93 million sq. ft. to its portfolio during the year, 4 in NCR, 2 each in Bengaluru and Hyderabad, 1 in Kolkata and 1 in Nagpur.

On the operational front, Godrej Properties successfully delivered ~12.5 million sq.ft across projects. With this, Godrej Properties has now successfully delivered ~47 million sq. ft. since FY2018. 5. PROSPECTS AND OUTLOOK:

Indian residential real estate sector has been witnessing a strong turn-around of the sectoral landscape over the past two to three years. There has been substantial boost in both demand and pricing with higher consumer propensity towards paying a premium for a superior product proposition. With interest rate being stable, the home buying intent and sales momentum remained robust with FY24 being the best-ever year in terms of sales booking for the industry. Home buying is long-term asset where a strong affordability and financial strength (which is still better than pre-Covid levels) shall supersede the natural rate-cycle, especially if demand is driven by self-consumptions.

Consolidation in the residential real estate sector has only accelerated over the last few years amid regulatory changes like demonetisation, RERA apart from NBFC liquidity crisis, leading to an increase in the market share of branded organized players such as your Company. Given the pace of urbanization, rising per capita disposable incomes, and income distribution shifting from pyramid to diamond shape, Godrej Properties remains optimistic about the long-term prospects in real estate. Consumer sentiments have remained robust, which will result in a multi-year residential real estate upcycle, provided price increase is disciplined. Your Company is poised for a high growth trajectory with a strong brand, pan-India presence, demonstrated track record and robust marketing capabilities.

In post pandemic era, the customer focus on product proposition and quality is strongest ever. Increasingly, there has been disproportionate focus by the large organised developers on better design as per customer preference, best in class experience and superior quality.

Godrej Properties shall seek to drive profitability, improve customer experience, and continue to adopt digital technologies. Moreover, operational momentum for your company is likely to be sustained by its healthy Balance Sheet and robust project pipeline.

With an intent to provide an Energy Efficient final product to customers, the Company develops all its projects as green building projects. As an internal mandate within the Company, it is mandatory to have IGBC Silver rating (or equivalent in other rating systems) for its ongoing and upcoming projects.
