(c) The Company's investment property under construction consists of some commercial and retail properties in India.

(d) Based on the intention and business plans, part of residential property under development in Mumbai, is considered for Company's own use once completed, rather than for sale. Accordingly, the Company has re-classified the same from Inventories to Capital work in progress.

(e) The Company has no restriction on the realisability of its investment property under construction.

(f) Though the Company measures investment property under construction using cost based measurement, the fair value of investment property under development is based on valuation performed by an accredited independent valuer who has relevant valuation experience for similar office properties and is a registered valuer as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017. The main inputs used are location and locality, facilities and amenities, quality of construction, residual life of building, business potential, supply and demand, local nearby enquiry, market feedback of investigation and Ready Reckoner published by the Government.

(g) Fair valuation of an investment property under construction is based on Cost method which is INR 112.32 Crore (Previous Year: INR 70.67 Crore). The fair value measurement is categorised in level 3 fair value hierarchy.

(h) Refer Note 50 for disclosure of Capital Commitments for acquisition of property, plant and equipment and investment property.
